6:30pm Film: ALEGRÍA

Arlington Theatre, \$10

In this extraordinarily beautiful and inventive film, which was inspired by the internationally celebrated Cirque du Soleil, the images are as ethereal as the story and its performances. This title, a Spanish word meaning joy, elation, and jubilation, defines the spirit of this touching film about a sweet but disillusioned mime, Frac. Starring: René Bazinet, Frank Langella, & Julie Cox.
