

Joy to the World

In the spirit of this Christmas season, a donation has been made to **World Relief, on your behalf.** This year, a mother in Honduras will be given the working capital—materials to construct a fireplace, equipment, corn and firewood—for a tortilla business, thereby enabling her to provide for her family through her sweat equity.

Thank you for your business. Merry Christmas!

Valerie J. Kushnerov  NAVIGATOR SERVICES

World Relief is an organization bringing hope and joy to the world by providing the training, tools and supplies necessary for families to become self sufficient, and to know God's love.
